RE: Reclamation Contract
Little Mountain Mine
ACT/057/002
Weber County, Utah

Dear Mr. Reynolds:

Enclosed is the copy of the executed Reclamation Agreement between the Division of Oil, Gas, and Mining and Kaiser Aluminum and Chemical Corporation, which you requested.

Since this agreement was drawn up in 1976, and is quite out of date, I am also enclosing a copy of the latest Mined Lands Surety Contract, approved between the Board and Atlas Corporation. This is the format that Great Salt Lake Minerals and Chemicals Corporation would need to follow if a reclamation contract was desired.

For more specific information about reclamation contracts, or any other form of reclamation surety, please contact Pam Grugaugh-Littig of the Division.

Sincerely,

Susan C. Linner
